

CAMP TOWANDA OLYMPIC SING 2014- RED LIFEGUARDS CHEER

Vamos a la playa- Loona

Vamos a la playa
The red team is on fire
With sunscreen on our noses
And no between the toes-es
Oh-woah when our whistle blows
Oh-woah
Red will steal the show
Oh-woah
Check out our Baywatch run
Oh-woah
We're soakin' up the sun
... but don't forget your sunscreen!

Vamos a la playa
One pieces we require
First aid we are trained in
Life guards ain't misbehavin'
Word

Drunk in Love- Beyoncé

We're swimming
We're saving
Cause that's what lifeguards are for
And if you ever feel unsafe we'll save you our
Surfboards (x3)

Summer-Calvin Harris

When the snowstorm hit Towanda
Main basketball was slippery
Lifeguards came quickly to the rescue
And the rest was history

At tug-of-war we dominated
Crushed apache, too
Though last night we knocked you out
Red came back to save you

Always looking how we feel
And how we feel is pretty hot
The weather's on our side
Blue the winter's all you got

Showing off our muscles baby
In our lifeguard tank
Blue an avalanche has hit you
Lifeguards got this in the bank

CAMP TOWANDA OLYMPIC SING 2014- RED LIFEGUARDS CHEER

Whistle- Flo Rida

We will blow our whistle baby, whistle baby

When you run

Or when you dive, hang on the rope

When buddy checks begun

You can count on the red lifeguards to get

The job done

We will blow our whistle baby, whistle baby

Red has WON!
