## **Cheer**

### Anaconda

#### **Chorus**

My anaconda don't  
My anaconda don't  
My anaconda don't want none unless  
you're wearin' red, son!

Charmin snakes no break with the  
music we make  
Chillin' in Egypt blue can't beat us  
It's the title we'll take

Pharaoh's been conquered  
This is awkward  
Tennis basketball soccer

Goat alert for the camels someone  
radio Kracker

And we will seal the deal  
Blue won't keep up while red team's  
keepin' it real  
You can't deny charmers aesthetic  
appeal  
Or the way that we've been tearin' up  
the fields!

Gotta say  
By the way  
Blue team is only on display  
Museums, old books  
The empire was quickly overtook  
Doo-doo-doo-doo-doo-doo-doo-doo-  
de-de-de-de-de-de

My anaconda don't  
My anaconda don't

My anaconda don't want none unless  
you're wearin' red, son!

### Wiggle

*Generals: Ayo Charmers, we got one  
question... tell us a lil' bit about your  
team:*

#### **Chorus**

Running track, swimming laps faster  
than King Tut

Watch us win a little [doo-doo-doo-  
doo]

Snakes go wiggle wiggle[doo-doo-  
doo-doo]

Just a little bit-ttle [doo-doo-doo-doo]

Snakes go wiggle wiggle[doo-doo-  
doo-doo]

Ssssswing

Morning break, morning break  
Had no plan

For getting out of bed at 6 am  
Found a pyramid on the infirm lawn  
Jared's breakout at the crack of dawn

Panic!!

Main basketball or Egypt?

Red team our commandment:

Go ahead and go ham sandwich

Running track, swimming laps faster  
than King Tut

Watch us win a little [doo-doo-doo-  
doo]

Snakes go wiggle wiggle[doo-doo-  
doo-doo]

Just a little bit-ttle [doo-doo-doo-doo]

Snakes go wiggle wiggle[doo-doo-  
doo-doo]

Ssssswing

## **March**

### Ocean Avenue

There's a place nestled in tall pine trees

Where the red and blue come to complete

Summer of '15 and it feels so right

Red is here as one team- tonight

As one team- tonight

At activities we've passed blue by  
Even though Pharaohs you've surely tried

At apache, swim, and track meet too  
There is nothing here red team- can't do

Nothing we- can't do

### **Chorus**

Judgies you know red team, it is just better

We don't need no slaves we work together

Always cheer loud and proud we scream hoor-ay ay ay yeah

There's a piece of you that's here with me

Venom in our veins blue can't you see

That we're the best darn team in the room

[in the whole wide room]

Judgies you know red team, it is just better

We don't need no slaves we work together

Always cheer loud and proud we scream hoor-ay ay ay yeah

### Uptown Funk

This is it

It's our time

Snake charmers will outshine

This one for them judgies

Yo judgies we appreciate you!

Stylin', smiling

Livin' it up in CT

Sunscreens on

All day long

Shout out to camp mommies

It's too hot, then cold

This situation is getting old

It's too hot, then cold

Wear sweatshirts when we are told

Red team is gonna getcha blue (3x)

'Cause snake charmers gonna give it to ya (3x)

Sunday night and we in the spot

We'll slither to the top!
